b. The RC may relieve a boat of her obligations under this Clause, but only if a request is made to the RC no later than 24 hours prior to the warning signal of the first race in which relief is sought.

18. DECLARATION

18.1. By entering for a race, the person in charge of each boat confirms that they agree to be bound by the Racing Rules of Sailing and the other rules that govern this race. In particular they confirm they have read the Notice of Race and accept its provisions and agree that their boat will conform to the requirements set out in the Notice of Race throughout the event.

18.2. If the person in charge will be under 18 years old on the first day of the regatta then a special disclaimer, available from the Regatta Office, and downloadable from the website, shall also be countersigned by a parent or guardian. This should be returned to the Regatta Office no later than 17:00 on Monday 7th December 2026.

18.3. Whilst the regatta organisers will do their best to arrange a safe environment for competing boats and crews, all entrants are cautioned to secure valuables at all times during the Regatta. The person in charge will be required to sign a Declaration upon registration, absolving the event organisers of liability in the event of loss. Access to official social functions will be restricted to those who have paid the crew fee or social fee, and are identified by a security tag issued by the Phuket King's Cup Regatta organisers.

19. RISK STATEMENT

19.1. Competitors participate in the regatta entirely at their own risk. See rule 3, Decision to Race. The organising authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

19.2. Rule 3 of the RRS states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

19.3. Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- a. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- b. They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- c. They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d. Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e. The provision of a race management team, patrol boats and other officials and volunteers does not relieve them of their own responsibilities;
- f. The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
- g. It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
- h. They are responsible for ensuring that their boat is equipped and seaworthy so as to face all weather conditions that might be experienced during the event, that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.
- i. Inspections: The fact that race officials may conduct inspections of a boat does not reduce the responsibilities of each competitor set out in this Notice of Race.
